PRESS RELEASE:

Considering the pandemic situation of COVID – 19 and the scarcity of alcohol based hand sanitizer, the department of Chemistry, Kokrajhar Govt. College has prepared a hand sanitizer solution following the WHO formula for common use to prevent the contagious of the spreading of corona virus under the initiations of the Principal of the College.

This is a humble attempt of the college to contribute something to the nation towards fighting the highly contagious corona virus. Apart from this, the college has also circulated leaflets on awareness as well as the necessity to adapt certain practices during the time of corona virus epidemic.

The Alumni Association of the college has also prepared paper masks to encourage people to use it during the time of scarcity of medicated masks.
