

Departmental Seminar of B.A. 1st Sem. (Honours)
Organized by Department of Education
Kokrajhar Govt. College

Department of Education has organized a seminar on **15th and 16th March, 2021**. The 1st Semester (Honours) students participated in the said programme. The student presented the seminar paper on various subject related topics like **Philosophical and Sociological foundation of Education**.

After presentation each student was given 10 minutes for discussion. The teachers spoke about the importance of organizing seminar for professional growth of the teacher student's community. Later the student has submitted the feedback form at the end of the programme.

It is evident from the feedback that the students are benefitted and enlightened by such kind of programme. They consider it useful for enhancement of their knowledge and confidence building.

Apart from feedback, photograph, video and signature of students and teachers present in the programme has been enclosed with the report.
