NOTICE

**Choosing of VAC (Value Added Course and IDC (Inter Disciplinary Course)
UG 1st Semester (Arts & Science)**

It is hereby notified for information to all **UG 1st Semester (Arts & Science)** students of Kokrajhar Govt. College for the academic session: 2023-24 that two **google forms** are being launched for choosing **VAC (Value Added Courses)** and **IDC (Inter Disciplinary Courses)**.

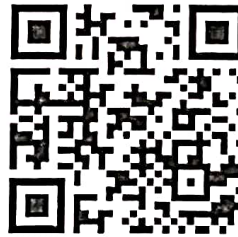

Further, it is to be mentioned that there will be ten (10) VACs, to be chosen viz. Bodo, Economics, Education, English, Geography, Philosophy, Sociology, Botany, Computer Science and Zoology (List enclosed). A student has to compulsorily choose a VAC from above list irrespective of their Major / Minor subjects. The student should choose three (3) VACs in order of preference, from which one VAC will be allotted to her/ him in order of merit of the aspirants. Apart from the above VACs provided by the college, for which teaching will be provided, there will be three more VACs called MOOCs which the students are free to choose. But no classes will be provided for these VACs. The students have to study these courses themselves and directly appear in the examinations.

Secondly, a student must opt for an IDC paper from a pool of eighteen (18) courses along with three MOOCs. (available for all departments, except English). A student having Major / Minor in a subject cannot opt for an IDC provided by that concerned department, i.e. student having Major/ Minor in Economics cannot opt for Economics IDC. Furthermore, a student cannot opt for an IDC which he studied in her/his H.S Course, i.e., if a student has studied Bodo, Education, Political Science, Economics, History, she/ he cannot choose any IDC from these subjects.

Therefore, all concerned students are asked to fill up the two google forms given below within **20th of August, 2023** positively. The link & QR Code for google forms is given below.
