#### 2.5.2 - Reforms initiated on Continuous Internal Evaluation(CIE) system at the institutional level (250 words)

As part of sound educational strategy, the institution adopts centralized Continuous Internal Evaluation (CIE) System to assess all aspects of a student's development on a continuous basis throughout the year. This is executed by examination cell in collaboration with Academic Council.

\*Orientation on Evaluation Process: Students are made aware of the evaluation process by notification. Academic Calendar has Internal Exam (Sessional Exam) dates. Internal Marks are displayed in the Department Notice Board \*Result Analysis Review Meeting: Result Analysis is done by the Result Analysis Committee after every academic year. Pass percentage of each course is calculated by dividing the total number of students appeared and passed in each course. The performance of the students is monitored by the IQAC, Principal and Academic council and necessary feedback is given to the concerned faculty members. The Principal conducts Review Meetings department wise, to give

necessary feedback for the improvement of students' performance. •External examinations are conducted at the end of every semester for all the theory papers and practical papers: Students should satisfy the eligibility criteria of 75 percent attendance in each semester to appear for University Examination. The students who have arrears are permitted to write their arrear papers along with regular semester examinations. •Reappearing/Recounting/Revaluation: The students are informed of the Reappearing/Recounting/Revaluation scheme available to them, regarding their examinations. Those students who fail in Sessional examinations are given a chance to appear for the same examination again conducted by the concerned department

2.5.3 – Academic calendar prepared and adhered for conduct of Examination and other related matters (250 words)

The Academic Calendar committee prepared its Academic Calendar for the academic year 2018:19, immediately after publication of undergraduate academic calendar by Gauhati University. The calendar contained important information like a)schedule of admission into the College b) filling up of registration forms c)commencement of daily classes d)examination schedules for both sessional/unit tests as well as final examinations conducted by the college, university and Assam Higher Secondary Education Council e) other important college events f)holidays of the session. Most of the events of the academic session 2018:19 went as per the academic calendar with the following exceptions: • Sessional examination of the odd semester 2018 was rescheduled due to Gunotsav Assam. • Annual Bonjar Festival was rescheduled due to Higher Secondary (H.S.) final practical examination • Departmental seminars were conducted in the month of June 2019, due to compact semester examination schedule and H. S. Final Examination 2019.

#### CRITERION VI – GOVERNANCE, LEADERSHIP AND MANAGEMENT

#### 6.1 – Institutional Vision and Leadership

6.1.1 – Mention two practices of decentralization and participative management during the last year (maximum 500

The institution has a practice of participative management. The college provides opportunity to all stakeholders for participating in the decision making process. The college administrative and academic structure is designed in a manner to make decisions by participative arrangement. Principal is the administrative and academic Head, followed by Vice principal and department heads. The principal holds meetings of the departments very often regarding academic and financial matters. In the meetings the final decision is taken in consultation with all department heads. • The examinations are carried out periodically throughout the year for which there is separate examination cell comprising of faculties as Assistant Officer in Charges and office staffs for carrying out different examination related works. The Vice- Principal of the college is in charge of examination cell. They conduct regular meetings and approved by principal thus the participative arrangements is being followed in decision making. • The Environmental Studies/Education cell conducts all the Classes/ Field works/ Examination works with regard to the compulsory subject of Environmental Studies/Education. The cell involves departments of Botany, Chemistry, Physics, Zoology, Education, Political Science, Economics and Computer Science for conduction of classes and field studies in the subject.

#### 6.1.2 – Does the institution have a Management Information System (MIS)?

Partial

#### 6.2 – Strategy Development and Deployment

6.2.1 – Quality improvement strategies adopted by the institution for each of the following (with in 100 words each):

Strategy Type	Details
Examination and Evaluation	The final/semester examinations, internal and practical examinations are conducted as per the guidelines set by the affiliating university. The College is known for conducting free and fair examinations. More often than not, the College is selected as an evaluation zone and hence, most of the teachers are engaged as Zonal Officers, Head Examiners, Examiners and Scrutinisers. Further, teachers of the institution participate in such activities in other evaluation zones. The process followed during evaluation is the same as directed by the University. There is 24/7 CCTV surveillance system in several examination rooms and at the Spot Evaluation cum Scrutiny Zone of the College. Moreover, the students who fail to clear Sessional examinations are given another chance to appear again in the examination
Research and Development	The faculty members carry out research on their MRPs utilising departmental laboratories as and when required. A computer centre under RUSA has been set up for meeting research/project requirements of students as well as faculties. Three faculties, namely Dr. Rajib Kumar Saha (Dept. of Bengali),

	Dr. Gautam Mushahary (Dept. of History), and Dr. Deepak Basumatary (Dept. of English), were awarded PhD degree in this Academic Session.
Library, ICT and Physical Infrastructure / Instrumentation	• Library has been enriched by procuring new books of an amount of Rs. 33,720.00. The books were purchased for all departments of the College. • Library has been upgraded with the installation of SOUL 2.0 and some computer equipments and online UPS. • The College campus has been made WiFi enabled (Reliance Jio Free Wifi). All the students, faculties and staff can avail the facility for educational purpose, exclusively. The data for each individual is 34MB per day and 1GB per month. • 15 Nos. of new class rooms (including 3 labs) have been constructed. 11 class rooms were constructed with the RUSA fund and 04 with the Bodoland Territorial Council fund. • A Seminar Hall RoomAB1 is made functional. • Bathroom toilets of all the three hostels were renovated.
Human Resource Management	The College is run by the joint efforts of the office of the Principal and the IQAC. The human resource is managed amicably through substitute or extra duty in case some of the teaching or non teaching staff have to be on leave from work for official, administrative or academic purposes. The College has a performance evaluation system through feedback from the students and the parents. For the development of the human resource, the College encourages its faculty members to pursue academic, intellectual and research related works apart from providing computer training to teaching and nonteaching staff from time to time.
Industry Interaction / Collaboration	No such interaction/collaboration was possible during the current Academic Session.
Admission of Students	The admission to the First Semester of BA/BSc and Higher Secondary Section is entrusted to the Admission Committee constituted by the Principal for the purpose. Though merit is the sole basis for admission, reservation of seats as per State/local BTC Government rules for different categories, including sports,NCC, NSS,Cultural,Scouts and Guides and Differently Abled candidates is also followed.

Curriculum Development	The College is affiliated to Gauhati University and follows the curriculum prepared/developed by the University. However, faculty members of several departments of the College contribute to syllabus development of Gauhati University and Bodoland University.
Teaching and Learning	The College prepares an Academic Calendar at the beginning of each Academic Session along with Teaching Plans prepared by the departments, individually. The Teaching Plan is executed in accordance with the Academic Calendar and is recorded in the Teaching Execution Register departmentally and individually. Utmost efforts are made to make the teaching process more learner centric. The progress of students is continuously assessed and evaluated through monthly class Tests, Sessional Examinations, Viva, Projects, Study Tours, Field Studies, Seminars, Group Discussions, and Class Assignments, etc. to fulfill requirements as mandated by the University. Students are always encouraged to join remedial classes/tutorials for improvement in their studies. In this academic session a Student Satisfaction Survey was conducted to assess the teaching learning performance of different departments of the college. The IQAC analysed the feedbacks received from students and encouraged the departments to improve their overall performance.

#### 6.2.2 – Implementation of e-governance in areas of operations:

E-governace area	Details
Administration	• Notices are circulated in College website, students corner of Facebook, College, HoD, IQAC, Pragati Mahila Sanchay Nidhi Whatsapp groups.

#### 7.1.7 – Initiatives taken by the institution to make the campus eco-friendly (at least five)

1. Tree plantation 2. Gardening 3. Plastic free campus campaign 4. Discouraging the use of disposable glasses and plates 5. Installation of dust bin

#### 7.2 – Best Practices

#### 7.2.1 – Describe at least two institutional best practices

A. Online admission System for Undergraduate Students 1. Title of the practice : Online admission System for Undergraduate Students 2. Objectives of the Practice: a) To give applicants freedom to submit their applications at their convenience. b) To contribute towards sustainable development by reducing paper wastage. c) To develop a highly reliable and efficient system by reducing paperwork errors (which used to creep in despite precautions in offline system). d) To obtain customizable real time reports of applicants for smooth processing of admission e) To increase transparency in processes and overall activities of admission. f) To create database of any student till he/she completes the entire course of study. g) To facilitate Digital India Mission.

3. The Context: It has been noticed by the college authority that the number of

students applying for admission in the college is increasing every year. Additionally, the student's admission process is getting increasingly complex with interested learners applying from different geographical locations, applying for a myriad combination of subjects, applying using various discounts and scholarships etc. In this scenario it is fast becoming increasingly difficult to handle such a large volume of student's admission in the traditional methods. Thus, there is an increasing need for using technology and adapting to an online admission management system for Kokrajhar Govt College also. During the academic year 201718 software from professional developers was purchased to create a "Data Management System for Students". This software was trialled for Online Admission form submission system but could not be upgraded properly by its developers to handle Online Admission system and hence it was discarded. In this academic year fresh software was subscribed to facilitate "Online admission System for Undergraduate and HS Students" 4. The Practice: In the college website http://www.kgc.edu.in/anadmission registration URL https://kokrajhargovtcollege.online/ was provided for online applicants. The applicants could register by using his/her mobile number and email address on the above mentioned link. On successful registration an applicant could apply for admission by filling the admission form online and uploading desired scanned copies of documents. The software was preloaded with the eligibility criteria and cut off marks so that only eligible students could apply. After successful submission of the online admission form the applicant printed the copy of the filled form and submitted to college office along with the fee for college prospectus. The selection list of eligible candidates was prepared by the admission committee on the basis of list of candidates obtained from the software. During admission the hard copies of original documents of selected candidates were verified on the spot by using the software on real time basis without downloading documents. The desired subjects of the selected candidate on the basis of merit were entered by the admission committee on the spot in the software and a system generated admission receipt was generated along with class roll number completing the admission process. 5. Evidence of Success : a) This year students using internet connectivity could submit their applications at the click of a mouse at their convenience. b) The admission committee was able to filter out candidates and process the applications in a quick time for preparing selection list. c) There are high fatigue and monotony involved in the form verification of the admission process and this can be a catalyst for errors. This time human errors were minimized as the form was filled online by the candidate. d) The admission process was hassle free with less men power being involved. Thus, it was cost effective too. e) The collection of admission fee and processing of students fee records was streamlined by the online system. This in turn helped to prepare fee waiver database of fee waived students smoothly. f) The college got access to student records and databases which was used to prepare errorfree student attendance registers in quick time. The data of admitted candidates was saved in office records for further requirements. 6. Problems Encountered and Resources Required a) Proper training to use all the features of the software is yet to be imparted to office staff. b) This year online fee payment was not integrated to the admission software but it is expected to be done in next academic session. c) Upgradation of the software is required to create a Management Information System. d) Students of rural areas with poor net connectivity had to travel to town for online form submission. 7. Notes: In future the College can provide facility of online admission form submission at its own computer centre at a fee much lower than the fee charged by internetcafe shops. In particular, this move will help the poor rural students. This facility may also generate revenue for the subscription fee of the software. B. Swachh Bharat Abhiyan 1. Title of the Practice: Swachh Bharat Abhiyan 2. Objectives of the Practice: a) To make the students, faculty and staff of College aware about Swachhta Mission. b) To maintain cleanliness in institute campus. c) To provide clean water and

hygienic sanitation facilities to College family members. d) To promote better hygienic environment in institute campus. e) To motivate students about cleanliness and importance of Swachhta in their life. 3. The Context: Swachh Bharat Abhiyan is a campaign in India that aims to clean up the roads and infrastructure of India's cities, smaller towns and rural areas including Govt. offices and institute campus as well. It was launched on 2nd October 2014 by Prime Minister of India Sri Narendra Modi. Swachh Vidyalaya is the national campaign under Swachh Bharat Abhiyan. As directed by the Govt. of Assam, cleaning activities under Swachh Bharat Abhiyan has been carried out in our institute. 4. The practice: The Government of Assam directed the College authority to form a committee to look after the cleanliness campaign. Accordingly, a seven member committee was formed which has the Principal as the Chairperson of the committee and there is one Nodal Officer, two Assistant Nodal Officers and three members. Apart from those members, other 18 (eighteen) numbers of nonteaching staff (Grade IV) have been permanently engaged to keep the institute campus clean. To achieve the aim of Swachh Bharat Abhiyan, the committee members, students, faculty and nonteaching staff of College have been jointly practising cleaning activities on the 7th of every month. The activities include cleaning of toilets, cleaning of play grounds, cleaning of classrooms, cleaning of gardens etc. The members also get involved in the cleaning work in every 3 (three) days in a week at 3 PM i.e. Tuesday, Thursday and Saturday. In order to motivate the student community, the College authority has arranged to provide Appreciation Certificate to every student who participates in cleaning programme. Besides College campus, the committee has been exercising the Swachhta programme outside the College which includes cleaning programme in nearby areas of the College and schools. The schools are Kokrajhar Vidyapith High School, Kokrajhar Girls H.S. School and No. 166 J.B. School. 5. Evidence of Success: a) Through cleanliness drive we have been able to maintain clean environment in College campus. b) The students can enjoy the clean water, sanitation and hygienic facilities. c) The students along with faculty are now particular in throwing waste materials in dustbins. d) Kokrajhar Municipality Board (KMB) has been cooperating in maintaining cleanliness and hygiene in College. e) This cleanliness drive is helpful for College faculties in conducting extension activities to other schools. 6. Problems Encountered and Resources Required: a) Human resource management is difficult. b) Problems in management of time after class hours. c) Due to some bandhs and holidays it becomes difficult to exercise the drive on the 7th of every month. d) Active and voluntary cooperation is required from the students and faculty members in order to complete the cleanliness drive. e) More awareness programmes are required for students.
